CHAPTER 5:
EVIL EXORCISING
SWORDPLAY

第五話

除邪

劍

法

APPROXIMATELY
60 YEARS
AGO, A MOST
FASCINATING
FIGURE
SURFACED IN
THE WORLD OF
FUGILISTS.

Lin
Fugui
yuan

WITH THE 72 STYLES OF THE EYL
EXERCISING SWORDPLAY HE DEVELOPED,
HE LEFT A STRONG IMPACT EVERYWHERE
AND WAS SAID TO REIGN SUPREME IN THE
WORLD OF FUGILISTS.

that allowed
your great
grandfather
to establish
the Fortune
Prestige
Boutique
and Beauty
Agency

Listen my
son. This
is the
very first
Fortune
Boutique

Fortune
Prestige
Boutique
and Beauty
Agency

and further
strengthen the
agency with
the 'Boutique'

Father, I
will be sure
to follow in
your
grandfather's
footsteps

THAT HE
FOUNDED
SUCH A
DANGEROUS
THAT ALL
THESE
PEOPLE

UNKNOWN
TO LING
THAT P
DECEITFUL
SCHEME
OF THIS
EVIL
LORD
THAT HAD
BEEN
PUNISHED
DOWN
HIS FAMILY

my parents
wouldn't have
even taken down
by those
at all
back!

If the
dreadful
secretly
really
that
forever

I've got to
do this my
ponies!

I've finally
arrived in
Mr. Wang
City!

Rafa, escort this gentleman to his room!

Y-yes!

Wh-what? Not a room away?

and now Rafa looks like the young master

Lin Fenglin has had enough respect on during the school of his journey

Li
Dayue

I wonder how
my parents
are doing
now...

The main
concern now
is whether
Lingju shings
is already
sober enough
to rush here
or not!

All the other
disciples have
already
reached Mt.
Hang City.

If it weren't
for this little
monkey running
around, I would
have reached
the place
sooner.

His body is
full of injuries...

He looks so
young!

and wasn't
brother Liu
supposed to
be an old
man?

for one
little run!

Hehe! To
think you'd go
that far

so how are
they so
friendly
with each
other now?

Yesterday
they were
both
viciously
fighting
each
other to
the death

HOWEVER, SHE
COULDN'T HELP
FEELING UNLucky
AFTER SEEING HIM
SUDDENLY BEING ON
SUCH FRIENDLY
TERMS WITH TIAN
BOGUANG

HE HAD
ORIGINALLY
DELIGHTED
THAT THE
SO-CALLED
BROTHER-
LAD IS STILL
ALIVE.

.....

哈哈
哈哈
哈哈

Indeed,
I'm not
Lau Dencou

.....

You're not Lau Dencou!
Lau Dencou's an old
ugly gaster!

You
flatter
me. I am
but a man
who has
lost to
you.

Here's a
toast for
you sparing
my life!

That's right,
you're Mr.
Hua's Linghu
Chong. You've
made quite a
name in the
pagoda's
world.

So he's called
Linghu Chong!

This little run looks pale as heck! All she eats every day are vegetables and bean curds. Her complexion looks real bad, so no thanks.

Truth be told, I get real irked when I see runs. I really wish I could exterminate all the runs in the world!

Bros before Hoes!

Why don't we be friends? If Linghu my man likes this pretty little run, I'll just let you have her.

No acquaintanceship to be formed without good fights!

Oh ho, why is that?

.....

Oh, go on.
What's your
condition?

Slurry her
and I'll let
her go.

W-what?... ?!

Master
Hua
Gong

Mr. Tai Shieh
Wu's
Nephew
Jiao-ye,
Zhu Baocheng

was because I
previously killed
that Yu fellow
from Sichuan...

At first I
thought that
the disaster
that has fallen
on our agency

Gingcheng Sect
has been plotting
against us for a
long time...!

but who
would have
thought
that is
truth.

Chief Sun
and co.
proceeded
to clear
up the
place and
hurry
back to the
agency.

On the
day after
Sun Pingzhi
accident,
early-witted
the man
named Yu

We've
already
buried the
body

Don't
worry
young
master

Master, I
would
doe a
thing!

Take the money
and just forget
about the whole
thing. If we don't
hear anything
anew in 10
days, you'll get
yourself another
50 kind of
silver

Oh the
debtors was
kidding your
grandfather
and our young
Master was just
trying to help. He
didn't mean to
do this, but he
had no choice

and paid
the old
man
quite a
sum of
money

But what
about the
other
fellow

You can
rest easy!

Lin
Pingping's
father
Lin Zhennan

What's wrong?
You think you'll
still have that
shoulder when
you are
actually
fighting
someone.

If you
were the
clumsy?

Each move of
the Evil Exorcising
Swordplay
Power Blossoms
For the Buddha

Good! That
is a good
counter
against the
"Punging
Nettles!"

Now
that's
more like
it!

Next,
here
comes
"Playing
the Flute
on the
Lute!"

Well
done!

The Red
Blood
Purple
Mist

But apart from having strong martial arts skills, do you know what is the other important skill?

Your great grandfather
ruined
supreme by
relying on this
evil breathing
swordplay of his.

"Make more friends
and lesser enemies"
is what you often
said

Coupled with
that philosophy
of mine are why
I'm able to take
the agency to
the status it
enjoys now

However,
I'm better
than them
when it
comes to
managing
the
business

Indeed

When it
comes to
martial arts
professes, I'm
no match for
your grand-
father and
certainly far
from being a
match for
your great
grandfather

so it's
about time
for you
to start
learning
about the
business
too.

son,
you're
getting
older

Don't
push
yourself
too hard.

You
two are
at it
again,
ruin.

You've been
improving
steadily.

Good,
good!

Lin
Pingzi's
mother,
Madam
Wang

He said that Master Yu from West Sichuan's Qingcheng sect has received our gifts.

No, I've just received word from Chief Zhang over at Jiangnan.

As long as our business offers good services, contracts will come to us!

Yu, my man!

West Sichuan? Master Yu?

After that, we could either head north to Dazhai or south into Yun Gui and Guizhou. Our business would increase by at least another thirty percent.

Qingcheng and Shimo are the two biggest sects of the Sichuan province. With Master Yu accepting our gifts, it means we've opened a route to Sichuan.

TN: Yun Gui refer to the Yunnan-Guizhou highlands

Yes,
and when
they
get
here,

you should spend
more time with
them. It'll be good
for you to observe
and learn how
students of
prestigious
schools act.

Four,
and not
two?

Master Yu
has not only
accepted our
gifts, but
has even
sent four of
his disciples
to return
the courtesy
and thank us
in person.

Making
friends
with them
will surely
benefit you
later on in
life too!

B-
boss!

Chief
Chui,
Lin
Thammar's
right hand
man

and there's
not a single
trace of injury
or wounds of
any kind.
Doesn't seem
like poison
either.

I've had a
look at
his body

How did
he die?

Did you
guys break
into a
fight
over a
gamble?

Tell book-
keeper Dong
to arrange
Bai Er's
funeral, and
send 100 of
silver to his
family

Could
be a
disease.

Who'd think
he would catch a
deadly disease
just like that.

"Y-yes,
he did.
He looked fine
then."

Didn't Bai Er
go hunting
with you
today? How
was he just
now?

Who would have
expected that
Master Ya would
somehow be
prompted by some
sudden impulse to
not only accept
my gifts, but to
also go the
distance to send
four disciples to
personally thank
us?

I've always
wanted to
open the
secret trail
through the
province of
Szechwan. I
thought it
would have
taken at least
another ten
years or so.

Also, such
a life,
always
beyond
our depen-
dence.

?!

Boos!
Chief
Zheng is
dead fool!
